

**Project Portfolio**  
Landscape and Façade

**The complete lighting solution provider**

As the global façade and landscape industry undergoes rapid expansion, the MENA region has witnessed a substantial increase in population and a thrive within the tourism sector. This dynamic environment positions the region for significant growth which presents great opportunities.

Huda Lighting has had the privilege of contributing to a diverse array of façade and landscape projects throughout the MENA region, providing an extensive range of products and services, spanning from exceptional turnkey solutions to architectural lighting, as well as advanced automation and lighting control systems.

As the demand for such projects continues to rise, Huda Lighting's over two decades of experience and commitment to providing innovative and top-quality offerings remains unwavering, making our growing list of satisfied clientele a testament to our expertise.
